ハートのおくりもの

Heart Gifts - First part

If I
give Shiro
my heart,
it will help
her right!?

There is
no heart
available
to replace
yours!

Do you
really want
to have a
mechanical
heart?

I
do not
mind.

If that
helps her,

Loss,
fulfilment,
inherited
feelings,

喪失、充足、受け継ぐ想い

On that day
we both got
a heart that
wasn't ours.

This is the story
of broken girls.

A few
years
later...

Ah

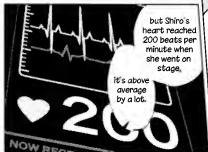

I can't...

but Shino's heart reached 200 beats per minute when she went on stage.

It's above average by a lot.

your two hearts usually beat at around 70-80 beats per minute,

I'll explain it in an easy to understand way,

Uh...

When your heart rate goes up suddenly, you will collapse.

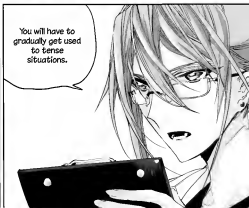

you will run into situations more stressful than going on stage.

Nonetheless, as long as you're alive,

Yes, like doing exciting or embarrassing things.

Tense...

You will have to gradually get used to tense situations.

Doesn't matter
how many times I
have to help you.

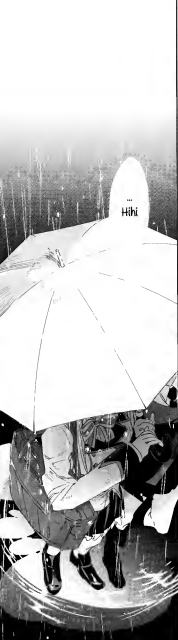

What?
What
the heck
is happen-
ing!?

200!?

!?

...
Hihi

What?

Well,
isn't that
mutual?

L...

Kuro-chan,
you've been
helping me
for so long...

you
know.

I like
that side
of yours...

I didn't think
you two being
together would
cause such
a strong
reaction...

We're
sorry.

Good
grief...

!?

What's
this
mood...

She looked
so cute...

I wonder
why she was
that excited?

Huh...
I'm thinking too much
my stomach and my
heart hurt.

I accidentally said
liked her in this
chain of events.

AAAAAAHHHH

I'm your attending physician, but

I won't be able to rush over every time.

What should we do?

you seem to be really close, so it should be fine.

This is why I have something to ask you,

We're best friends.

Good night.

Take a good look at the prescription.

I wrapped up everything in this.

Let's
take a
look at the
prescrip-
ah??

Because of
this document,
how much more
serious will
this get...
